

**VII World Congress of the Turkic World Mathematicians (TWMS
Congress4023)
September 20-23, 2023
Turkestan, Kazakhstan**

THE SECOND ANNOUNCEMENT

On September 20-23, 2023 the Turkic World Mathematical Society (TWMS) with the support of the Ministry of Science and Higher Education of the Republic of Kazakhstan, the Akimat of Turkestan region and the International Kazakh-Turkish University named after H. A Yasawi (IKTU)) will hold the VII World Congress of Turkic World Mathematicians (TWMS Congress-2023).

The main purpose of the Congress is to expand international relations and scientific cooperation of scientists, to promote the development of mathematical science and the application of the achievements mathematics, information technology in scientific research, engineering, and education.

1. The main directions of the Congress:
2. Differential equations and equations of mathematical physics.
3. Theory of functions and functional analysis.
4. Algebra, mathematical logic and geometry.
5. Probability theory and mathematical statistics.
6. Inverse and ill-posed problems.
7. Optimal control.
8. Mathematical and computer modelling.
9. Computational and information technologies,
10. Theoretical and applied mechanics, continuum mechanics.
11. Methods of teaching mathematics and the history of mathematics.

The participants are invited to announce mini-symposiums.

The venue of the Congress. The Congress will be held in the spiritual capital of the Turkic world – the city of Turkestan on the basis of the International Kazakh-Turkish University named after H. A, Yasawi at the address: 29 B. Avenue. Turkestan 161200, Republic of Kazakhstan..

As part of the cultural exchange, excursions to museums, preserved monuments of the Middle Ages of Turkestan (in ancient times, the Great Turan was the cradle of the warlike Turks) will be organized for the participants of the Congress.

Working languages of the Congress: English, Kazakh, Russian.

Applications for participation. Electronic registration of participants and submission of abstracts is carried out on the congress website <https://acagor.kz/conference/twms-2023/> until June 25, 2023

Presentation of materials. Abstracts with a volume of 1 page are presented in LaTeX format prepared according to a template <https://acagor.kz/conference/twms-2023/about/templates/asbtract> and are accepted on the Congress website **until June 25, 2023.**

The full text articles ranging from 8 to 15 pages are prepared according to a template <https://acagor.kz/conference/twms-2023/about/templates/paper> and are accepted on the Congress website **until July 25, 2023.**

Publications. Collections of reports will be published by the beginning of the Congress. Materials submitted than the specified deadline or that do not meet the specified requirements will not be considered.

According to the reports selected by the international expert council of the Congress, it is planned to publish a collection of articles in the issue of journals recommended by the Committee for

Quality Assurance in the Field of Science and Higher Education «**Bulletin of KazNU. Mathematics, Mechanics Computer Science Series**» (indexed in Web of Science, Russian Science Citation Index – <https://bm.kaznu.kz/index.php/kaznu>) and the **International Journal of Mathematics and Physics** (indexed in Web of Science, Scopus – <https://ijmph.kaznu.kz/index.php/kaznu>).

The registration fee for the Congress participants is paid by bank transfer until **July 25, 2023** and amounts to **25,000 tenge**; for undergraduate and graduate students is **free of charge**; for doctoral students is **10,000 tenge**. Detailed information about the payment of the registration fee is available on the Congress website <https://acagor.kz/conference/twms-2023/about/resgistration-fee>.

All additional information will be posted on the Congress website <https://acagor.kz/>

Important dates:

until March 25. 2023

Personal application for participation in the Congress

until June 25 2023

Registration and submission of abstracts

until June 25 2023

Notification he inclusion of the report in the program

Payment of the registration fee

until July 25, 2023

Presentation of full-text articles

until July 25, 2023

Notification of the publication of the report in the

until August 1, 2023

Proceedings of the Congress

until August 1, 2023

Providing the latest version of the article

until Septetmber 20, 2023

Day of arrival and registration of the Congress participants

Septetmber 21–23, 2023

Working days of the Congress
